

DANIEL'S
FAMILY VINEYARD & WINERY

Riesling

2017, NAPA VALLEY

DESCRIPTION

Inviting and easy to drink; moderately sweet white wine with apple, pineapple & honey flavors; floral aromas; & a crisp, clean finish.

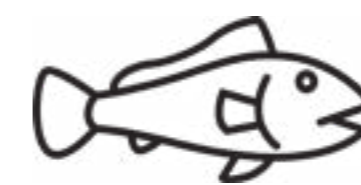

FROM THE WINEMAKER

Riesling is one of the world's most versatile wines. Previously, we finished Riesling drier than a traditional Riesling - not overwhelmingly sweet but just sweet enough to please the right palate. With the 2017 Riesling, we wanted to finish it similarly, making a perfect white wine to pair with all kinds of food and a true pleasure to sip. For the best taste, it is recommended to be chilled before served. Refrigerator cold, 43 degrees fahrenheit.

VARIETAL NOTES

Riesling is a moderately sweet grape, creating an inviting white wine often with flavors of pineapple and honey and a beautiful bouquet of honey and floral citrus blossom aromas.
