

**DANIEL'S**  
FAMILY VINEYARD & WINERY

# Chardonnay

## 2016, LODI, CA

---

### DESCRIPTION

Fermented in stainless steel to retain natural flavor components of lemon zest & green apple; dry white wine with well-balanced fruity acidity and a smooth, bright finish.

### FROM THE WINEMAKER

Chardonnay grapes have a rich history in the wine world. At Daniel's, we sourced grapes specifically from Lodi where the Mediterranean climate offers the ideal setting for growing world-class Chardonnay. Our 2016 stainless steel fermented Chardonnay has all the fruit forward lemon zest and citrus notes to make this unbaked Chardonnay simply delicious.

### VARIETAL NOTES

Situated in the heart of California at the confluence of the Consumnes and Mokelumne Rivers, grapes from the Lodi region have always been apart of the local landscape. The first vineyard was established in 1850 and over the next century, vineyards and wineries sprouted up throughout the region, establishing itself as the Lodi Appellation in 1986 after being recognized for their unique quality.
